What we offer

We offer a **wide range of activities in various areas**. We run interest groups with regular sessions (e.g. soccer, Yoga, fitness), as well as one-off events for a broader audience (e.g., beer tasting). Join us and try it !

About us

Our purpose is to bring members together: We are a “small family” helping you to find a way to balance your work- and free-time and to connect with fellow members and colleagues. **Our aim is to have fun** around nature, culture, and fitness.
